SAYING GOODBYE TO AN OLD FRIEND

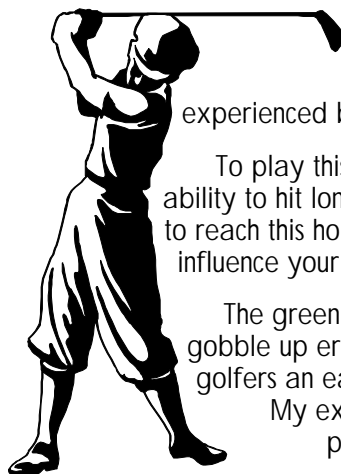

Well it finally happened! The oak tree on #18 fairway— long a landmark at Monterey Pines, fell victim to the elements. Mother Nature called it home to Oak Tree Heaven where it stands tall and proudly displays its foliage to the heavenly hosts. We, and all the golfers and staff, bid you adieu to enjoy your new home in the sky.

– Mike Valleau

THE PRO'S VIEW:

Continuing our series on how to best manage your play at Monterey Pines Golf Course, this month our focus is on:

Hole #9 404 yards, par 4

"This is a terrific hole! Longer than normal, it has a slight dog to the left and features a number of trees on the left side of the fairway. The right side is guarded by a water hazard. Unfortunately, I have experienced both of these problems.

To play this hole, a straight drive is necessary and then the ability to hit long irons or fairway woods is important if you are to reach this hole in two shots. The wind on Number 9 will also influence your club selection.

The green is protected by three bunkers that will absolutely gobble up errant shots. The approach to this green affords golfers an easy pitch and run or smooth chip shot to save par.

My experience tells me that if you made or saved your par, you will be rewarded with a *win or a skin.*"

Join us again next month when we talk about how to approach hole number ten. Just one last quick reminder, when you finish playing a hole, please repair your ball marks and divots. Thanks!

We look forward to seeing you on the course at Monterey Pines!

The Rules of Golf

Rule #3 Stroke Play 3-2. Failure to Hole Out

If a *competitor* fails to *hole* out at any hole and does not correct his mistake before he plays a *stroke* from the next *teeing ground* or, in the case of the last hole of the round, before he leaves the *putting green*, he shall be disqualified.
